What was the best gift/present did you received? We will concede that a significant others, kids and pets are the best gift of all, but what else did you received? Who gave it to you?

How did you get introduced to the outdoors? How did you get introduced to archery (tournament/hunting)? Was it passed down from a family member, self-taught or little bit of both. How did they do it or how did you do it?

There are no wrong answers, so you can be serious or funny on this one! A natural disaster hits and you can't stay in your home state (where do you go and what do you take?). You can take 3 people (no significant others or kids). Who are they and why? What do you look to find on the way to take with you? What is your game plan when you get there? You can take your dog!

Tell me something about yourself that has nothing to do with archery, hunting, the outdoor, fishing, camping or political/religion.
